

Active Vision Care Plan Highlights

General Information

The Vision Care Plan Highlights provides a brief overview of the key features of the Vision Care Plan. Detailed Program provisions, including coverage and coverage amounts, limitations and exclusions, eligibility and enrolling or changing coverage, can be found in the Vision Care Plan Details. Information about your eligibility and your dependents, as well as information about enrolling in or changing coverage, can be found in the General/Administrative Information Plan Details. EyeMed Vision Care is the Vision Care Plan Service Administrator for the Johnson & Johnson Family of Companies. To access the Plan Details, visit the For Your Benefit (FYB) Website at <http://resources.hewitt.com/jnjbsc> where you can access Your Benefits Resources™ (YBR).

How to Use the Plan

The Active Vision Care Plan is designed to help you and your covered dependents pay the cost of certain necessary vision care expenses. The Vision Care Plan gives you the choice of accessing services In-Network or Out-of-Network.

- **In-Network Services** generally provides greater benefits and fewer out-of-pocket expenses. EyeMed Vision Care's network consists of optometrists, ophthalmologists and retail chain providers. If you use a network participating provider, you should call for an appointment, identify yourself as an employee of the Johnson & Johnson Family of Companies, and provide your ID card or the patient's name and date of birth.

After you make the appointment, the provider's office will confirm eligibility and coverage amounts. Once services are rendered, the provider will submit a claim for services and will be paid directly by EyeMed Vision Care. You will be responsible for any expenses not covered under the Vision Care Plan in addition to any amounts over the Vision Care Plan maximums (See the "Vision Coverage At-A-Glance" chart included here or in the Vision Care Plan Details for more information).

To obtain a list of participating vision care providers, or to see if your current provider is participating in the network, go to the EyeMed Vision Care Web site at www.eyemedvisioncare.com/jnj. You can also call EyeMed Vision Care's Customer Service Center at 1-866-414-2064 to obtain information about network providers or to see if there have been any recent changes to the network.

In addition, the Vision Care Plan also provides a discount program for eye exams and eyewear once your plan benefits have been exhausted for the calendar year. Please check with your EyeMed Vision Care provider or call the EyeMed Vision Care Customer Service Center to see if your provider participates in the EyeMed Vision Care discount program and to determine the discount available.

- **Out-of-Network Services** include the same type of expenses that are covered In-Network. However, Out-of-Network benefits and limits will apply if you receive services from any qualified doctor or eye care provider who does not participate in the EyeMed Vision Care network (See the "Vision Coverage At-A-Glance" chart included here or in the Vision Care Plan Details for more information).

¹ Discounts on non-covered service items are not available at some locations in the state of Texas. Contact EyeMed or the provider to confirm.

² For exam, frame, standard lenses and contact lenses at Costco or Wal-Mart, reimbursement is equivalent to in-network benefits. For eligible reimbursement from Costco and Wal-Mart, as well as for out-of-network expenses, complete and submit a claim form and receipts to the address listed on the form. Additional savings are not available at Costco or Wal-Mart locations.

³ The Active Vision Care Plan covers one eye exam and one pair of eyeglasses (lenses and frames) or one eye exam and a supply of contact lenses (up to the contact lens Plan allowances) per calendar year per covered person. If the member chooses the contact lens benefit, they are also eligible to receive one eyeglass frame (no lenses) up to the Plan allowance.

⁴ If you purchase conventional contact lenses in-network, you will receive an additional 15% discount over the annual allowance.

⁵ An annual supply varies by contact type and is defined by the manufacturers' guidelines.

⁶ Medically necessary contact lenses are determined at the provider's discretion to correct extreme vision problems that cannot be corrected by spectacle lenses including certain conditions of anisometropia (unequal refractive power in the two eyes) or Keratoconus (a corneal protrusion that often can be corrected by contact lenses), High Ametropia (exceeding -10D or +10D in meridian powers) or Vision Improvement (other than Keratoconus for members whose vision can be corrected two lines of improvement on the visual acuity chart when compared to the best corrected standard spectacle lenses). You or your provider should contact EyeMed Vision Care before the purchase of contact lenses for the above conditions to obtain reimbursement details. An annual supply, as defined by the manufacturers' replacement guidelines, will be 100% covered when using an in-network provider.

⁷ Laser vision correction discount is not part of the funded benefit. Discounts are available through the US Laser Vision network, which is owned by LCA-Vision.

Filing Claims

You do not have to submit a claim form if you use a network provider. If you use a Costco, Wal-Mart or other non-network provider, you will need to pay the entire bill at the time services are provided and submit a completed claim form to EyeMed Vision Care. For services at all Costco and Wal-Mart optical locations, you'll receive reimbursements equivalent to in-network benefits. However, additional savings discounts are not available at Costco and Wal-Mart.

Claims must be submitted no later than one-year from date of service. To obtain a claim form, log on to visit the For Your Benefit (FYB) Website at <http://resources.hewitt.com/injbsc> where you can access Your Benefits Resources™ (YBR).

Ordering an Annual Supply of Johnson & Johnson Contact Lenses

An annual supply (as defined by the manufacturer's guidelines) of contact lenses manufactured/ marketed by the Johnson & Johnson Family of Companies (Johnson & Johnson) will be covered at 100% when you order them through ContactsDirect. Follow these steps to order:

1. Visit www.contactsdirect.com/jnj
2. Find the contact lenses you need and place in your shopping cart.
3. Go to the "Shopping Cart" and Click on "Checkout".
4. Click on "Login/Register" and Register if using the site for the first time (or Login if you already have an email and password set up with ContactsDirect). When registering, make sure to check the box "Register with my Insurance".
5. Complete your transaction.
6. Your contact lenses will be shipped to the address you provided during registration (standard ground shipping is free).

IMPORTANT FACTS:

- For contact lenses manufactured/ marketed by Johnson & Johnson, an annual supply of lenses, as defined by the manufacturer's guidelines, will be covered at 100%. If you order additional lenses, you will be responsible for the additional cost.
- You must order the annual supply at one time (per Plan Year); additional orders in the same Plan Year will not be covered.
- Each enrolled family member over the age of 18 must register and place their own order. Dependents under the age of 18 can be added as a patient to the subscriber's pre-existing account.
- Johnson & Johnson contact lenses will not be covered at 100% if not ordered through ContactsDirect.
- Participants are eligible for Johnson & Johnson contact lenses through ContactsDirect (covered at 100%) *or* through another source (covered up to \$150), but not through both.
- If you purchase lenses from another provider (other than ContactsDirect), contact lenses manufactured/ marketed by Johnson & Johnson will be covered up to \$150.
